Copernicus Studios Inc.
Animation Director / Production Supervisor

2009 - Present

I handle the daily operations of the studio, including key managing aspects of the company like human resources, talent recruiting, training, scheduling, budgeting, and development of efficient production pipelines. I am also heavily involved with each animated series and project through directing, planning, supervising, organizing, and leading the creative teams.

Accountable for making production-wide administrative and artistic decisions; From the allocation of resources for all departments, to quality assurance of art assets and animation scenes produced in the studio. Ensuring that the creative expression, technical obligations, stylistic goals, producers' objectives, and client's vision are maintained through the entire process from concept to completion.
